- Statistics on the insurance firms operating in the Estonian market can be found from the [European Insurance and Occupational Pensions Authority \(EIOPA\) website](#). The statistics show the consolidated Solvency II data for insurance firms by country and are published once a quarter.
- Finantsinspektsioon publishes semi-annually aggregate data on insurance brokers which can be found [here](#).
- More detail on trends and developments in the life insurers, non-life insurers and insurance intermediaries operating in the market is published twice a year in the review of the [Estonian financial services market](#).

The reviews are based on data submitted by market participants.
