Central Bank of Ireland Issues Warning on Unauthorised Firm – Fraudulent entity clones authorised firm SEI Investments

26 September 2022 Warning Notice

It has come to the attention of the Central Bank that a scam entity by the name SEI Investment (United States, Ireland), formerly operating the fraudulent clone website www.seiinvestment.com, has been claiming to be an investment firm / investment business firm in the absence of appropriate authorisations. In this instance, the scam entity cloned details and website content of the legitimate firm, SEI Investments (www.seic.com), in order to deceive consumers.

The legitimate firm was proactive in identifying the fraudulent clone, notifying the relevant authorities and arranging for the deactivation of the fraudulent clone website. The fraudulent clone website was deactivated in February 2022. It should be noted that there is no connection whatsoever between the legitimate firm and the unauthorised entity formerly operating the fraudulent clone website.

A list of unauthorised firms published to date is available on the Central Bank website.

It is a criminal offence for an unauthorised firm to provide financial services in Ireland that would require an authorisation under the relevant legislation for which the Central Bank is the responsible body for enforcing. Consumers should be aware, that if they deal with a firm that is not authorised, they are not eligible for compensation from the Investor Compensation Scheme.

Fraudsters are increasingly using legitimate firms' details to add an air of legitimacy to their fraud. The fraudsters will 'borrow' some or all of the legitimate information of an authorised / legitimate firm for the purpose of this fraud. They may quote authorisation numbers / company registration numbers and links to seemingly legitimate websites and even provide the real address of an authorised / legitimate firm. Consumers are advised to check our register to verify a firm's details and to call the firm back directly using its advertised phone number. Always access the register from our website, rather than through links in emails or on a firm's / person's website.

There are some further steps that individuals should take before dealing with firms / persons which purport to offer financial services:

- If you are buying a financial product such as a loan, insurance, investment or pension, or engaging a financial service such as investment advice, only deal with a Central Bank authorised firm / person – check our Register to see if the firm / person is registered. Always access the Register from our website, rather than through links in emails or on a firm's / person's website.

- Always double-check the URL and contact details of a firm / person in case it is a 'clone firm / person' pretending to be an authorised firm / person, such as your bank or a genuine investment firm.
- Check the list of unauthorised firms. If the firm / person is not on our list, do not assume it is legitimate – it may not have been reported to the Central Bank yet.
- Check that the product being offered to you is present on the website of the legitimate firm.
- If you are considering buying a financial product or dealing with a firm, through a website or social media, or if you receive an unsolicited phone call, email, text message or pop-up box out of the blue, take the SAFE test.
- For further information, please visit the Avoiding Scams and Unauthorised Activity section of the Central Bank's website.

Please remember:

- the Central Bank will never contact you asking for money, your personal data or your PPS number; and
- if you are offered something that seems too good to be true, it is most likely a scam.

Any person wishing to contact the Central Bank with information regarding such firms / persons may telephone (01) 224 4000. This line is also available to the public to check if a firm is authorised.

Notes to editors

The name of the above firm is published under Section 53 of the Central Bank (Supervision and Enforcement) Act 2013.
