

**The supervisory information submission form established on the basis of Article 16 of the
Crowdfunding Regulation (EU 2020/1503)**

Report on crowdfunding offer projects

1. Purpose of the report

The purpose of the report is to gain information on crowdfunding offer projects (hereinafter the projects) funded by the crowdfunding service provider through the crowdfunding platform during the calendar year on the basis of the crowdfunding Regulation.

2. Area of the report

The report shall provide information on all projects that have received funding through the platform, including those that did not find funding during the calendar year.

3. Reporting of data

At least one line of report shall be submitted for each project. If the raised amount is expressed in more than one currency, then the number of reporting lines that are submitted for each project is equal to the number of project currencies. In this case, indicators 1 and 2 of the report line are repeated and indicators 3 and 4 are presented according to each currency of the project.

4. Structure of the reporting rows

- 1) project identifier;
- 2) sector;
- 3) amount raised;
- 4) amount raised currency.

5. Explanation of report row structure

1) Project identifier

The unique identifier assigned to the project is indicated here. According to the principle of Article 3 of Delegated Regulation (EU) 2022/2119, the unique identifier consists of the crowdfunding service provider's LEI code and eight unique numbers assigned to the crowdfunding offer by the crowdfunding service provider. The project identifier must match the same project identifier that was provided in the report of project owners and in the report on investors.
