III. Purpose

4. These guidelines are based on Article 16(1) of the ESMA Regulation and Articles 8(5), 9(5) and 10(6) of Regulation (EU) 2022/858.
5. The objectives of these guidelines are to establish consistent, efficient and effective supervisory practices within the ESFS and to ensure the common, uniform and consistent application of Articles 8(4), 9(4) and 10(4) of Regulation (EU) 2022/858. In particular, they aim at establishing standard forms, formats and templates to apply for specific permissions to operate DLT market infrastructures.
6. In addition to the information that is mentioned in these Guidelines, in accordance with Regulation (EU) 2022/858, applicants for a specific permission to operate a DLT MTF, a DLT SS or a DLT TSS are reminded that they may have to simultaneously present further information to apply as a CSD or as an investment firm or to operate a regulated market or to demonstrate compliance with Directive 2014/65/EU or Regulation (EU) No 909/2014 (see Articles 8(3), 9(3) and 10(3) and (5) of Regulation (EU) 2022/858). Such further information is not covered by these Guidelines.

IV. Compliance and reporting obligations

Status of the guidelines

7. In accordance with Article 16(3) of the ESMA Regulation, competent authorities and financial market participants must make every effort to comply with these guidelines.
8. Competent authorities to which these guidelines apply should comply by incorporating them into their national legal and/or supervisory frameworks as appropriate, including where particular guidelines are directed primarily at financial market participants. In this case, competent authorities should ensure through their supervision that financial market participants comply with the guidelines.

Reporting requirements

9. Within two months of the date of publication of the guidelines on ESMA's website in all EU official languages, competent authorities to which these guidelines apply must notify ESMA whether they (i) comply, (ii) do not comply, but intend to comply, or (iii) do not comply and do not intend to comply with the guidelines.
10. In case of non-compliance, competent authorities must also notify ESMA within two months of the date of publication of the guidelines on ESMA's website in all EU official languages of their reasons for not complying with the guidelines.
11. A template for notifications is available on ESMA's website. Once the template has been filled in, it shall be transmitted to ESMA.
12. Financial market participants are not required to report whether they comply with these guidelines.

V. Guidelines on standard forms, formats and templates to apply for specific permissions to operate a DLT MI

Guideline 1: Competent authorities' instructions for application

13. The competent authority should make available on its website instructions on how to submit an application for a specific permission to operate a DLT MI, which should include the tables included in the Annex.
14. In particular, the competent authority should indicate on its website that duly completed application forms, notifications and any related additional information are to be submitted on durable medium. Competent authorities should indicate on their websites whether duly completed application forms, notifications and any related additional information are to be submitted on paper, electronically, or both.
15. For the purposes of these guidelines, 'durable medium' means any instrument which enables the storage of information in a way that is accessible for future reference for a period of time adequate for the purposes of the information and allows the unchanged reproduction of the information stored.
16. The competent authority should indicate on their websites the languages that can be used to fill-in the template. Considering that multiple authorities may be involved in the assessment of the applications, the competent authority may recommend for the applicant to submit the same information in a language customary in the sphere of international finance.
17. The competent authority should also indicate a contact point for handling all information received from any applicants seeking permission to operate a DLT MI. The contact details of the designated contact point should be made public and regularly updated on the competent authorities' websites.

Guideline 2: Submission of application to the competent authority

18. When applying for a specific permission to operate a DLT MI, all applicants should provide the competent authority with the following information:
 - a. Table 1 of the Annex: General information on the applicant; and
 - b. Table 2 of the Annex: General information to be included in an application for permission to operate a DLT MTF, a DLT SS or a DLT TSS.
19. Depending on the applicant regulatory status and on the nature of its application request, Table 3 and/or Table 4 of the Annex should be provided, as follows:
 - a. Where the applicant is or intends to be authorised as an investment firm or to operate a regulated market under Directive 2014/65/EU and intends to operate a DLT MTF or a DLT TSS, it should provide the below information:

Permission sought	Information to provide
1 - Permission to operate a DLT MTF in accordance with Article 8(1) or 8(2) of Regulation (EU) 2022/858	For exemption request(s) to Directive 2014/65/EU and Regulation (EU) No 600/2014 under Article 4 of the Regulation (EU) 2022/858: Table 3
2 - Permission to operate a DLT TSS in accordance with Article 10(1) or 10(2) of Regulation (EU) 2022/858	For exemption request to Directive 2014/65/EU and Regulation (EU) No 600/2014 under Article 4 of Regulation (EU) 2022/858: Table 3 For exemption request to Regulation (EU) No 909/2014 under Article 5 of Regulation (EU) 2022/858: Table 4

- b. Where the applicant is or intends to be authorised as a CSD under Regulation (EU) No 909/2014 and intends to operate a DLT SS or a DLT TSS, it should provide the below information:

Permission sought	Information to provide
1 - Permission to operate a DLT SS in accordance with Article 9(1) or 9(2) of Regulation (EU) 2022/858	For exemption request to Regulation (EU) No 909/2014 under Article 5 of Regulation (EU) 2022/858: Table 4
2 - Permission to operate a DLT TSS in accordance with Article 10(1) or 10(2) of Regulation (EU) 2022/858	For exemption request to Directive 2014/65/EU and Regulation (EU) No 600/2014 under Article 4 of Regulation (EU) 2022/858: Table 3 For exemption request to Regulation (EU) No 909/2014 under Article 5 of Regulation (EU) 2022/858: Table 4

20. For each document listed in Tables 2, 3 or 4 the applicant should identify at least the following information:
- the unique reference number of each document;
 - the title of each document;
 - the chapter, section or page of each document where the relevant information is provided.
21. Where necessary to avoid submitting the same information or document twice, applicants should cross refer to the relevant information or document submitted under a different part of their application file.
22. When the applicant considers that information in addition to the one to be provided under Table 2, Table 3 or Table 4 is relevant for the purposes of the specific permission, the applicant may submit additional specific documents.
